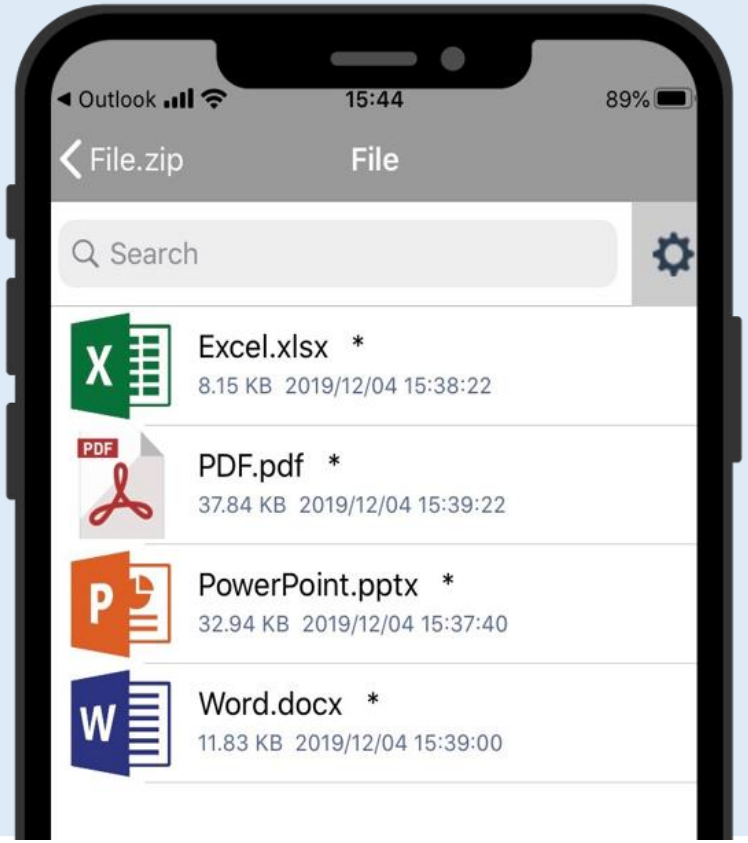
General construction industry

What is ArchXtract?

ArchXtract is a Zip file decompression application for Microsoft Intune. ArchXtract interact with Management Portal and it is used for managing License and analysis function. Administrators can unify the management of the application and greatly reduce the management work.

Admin

- User Management
- Device Management
- Usage Analysis



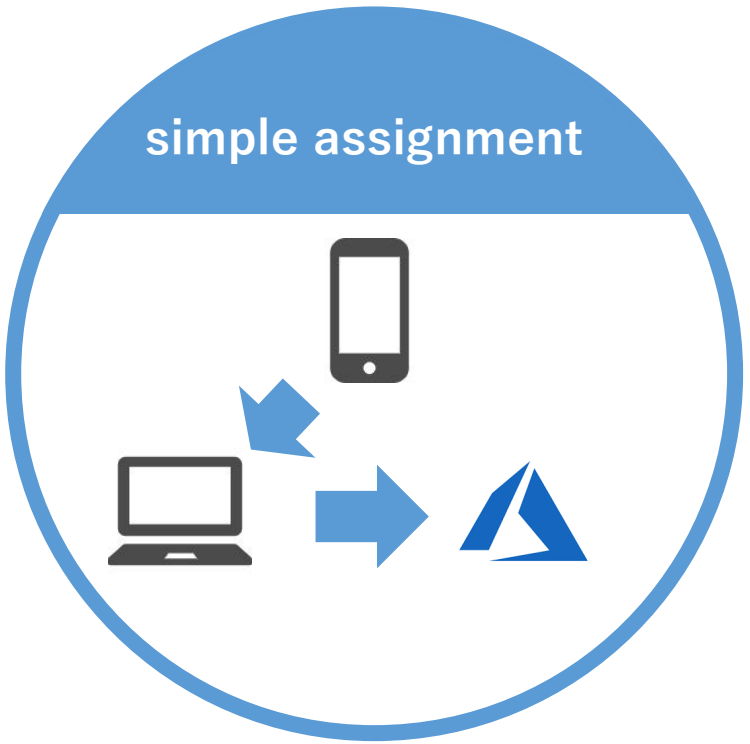
User

- decompressio
- Intune support

Features 1: Wide range of compression formats

Function name	overview	
	Confirmed（2021.February）	compressed form
Supported compression format	Windows Explorer	
	7Z	Deflate
		Deflate64
		BZip2
		LZMA
		PPMd
	WinZip	BZip2
		LZMA
		PPMd
	Winrar	
	Lhaplus	
	Mac	

Features 2：Management

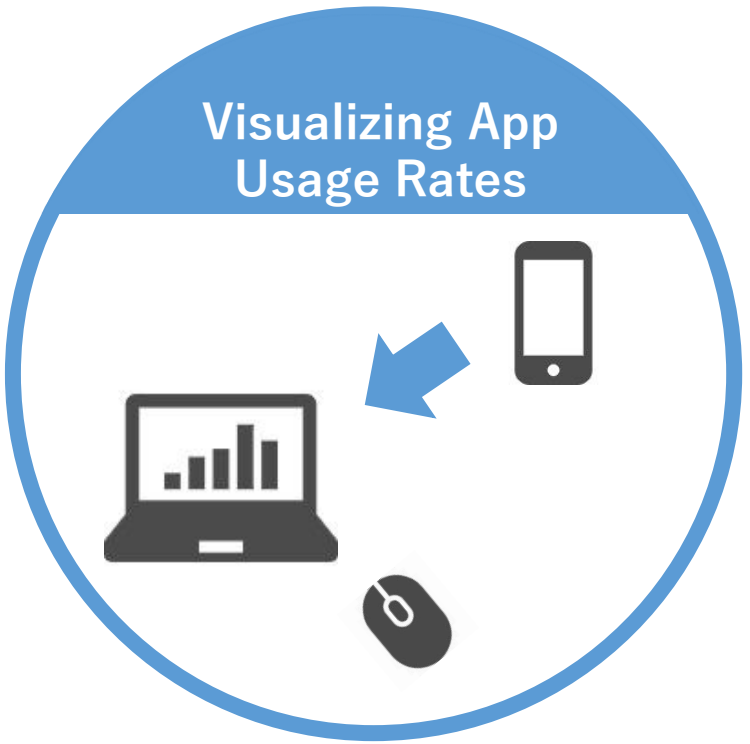


License Automatic Assignment

Issued licenses will be assigned via Microsoft Intune Configuration Policy. When you use the app, Intune account information and device information is sent to the CEGB server under Azure.

License Management

You can check the user's email address and mobile devices. You can also unassign and block unwanted devices.



Visualizing App Usage Rates

You will be able to analyze the number of times the app is used by each user. You will be able to sign up for the correct number of licenses on your next subscription.

Flow of Adaption

STEP1

contact

If you are interested in ArchXtract, please contact us for more information and a free trial.

STEP2

Quotation & Contract

We will prepare a quotation based on the number of licenses you wish to purchase.
You will be asked to sign a software license agreement separately.

STEP3

Preparation

After you sign up, we will issue you a license code for the number of licenses you want to use.
For more information on how to assign a license code from Microsoft Intune, please download the reference material from our website.

STEP4

Start of use

After installation, we provide accurate and prompt support to our customers.
We also provide support when upgrading the OS and IntuneSDK.

Post-implementation support

Email

If you would like us to respond to you by email, please use the email address above to ask a question.

Help Page

You can check frequently asked questions and basic operations.

Price: annual contract

30-day free trial

You can try all the features for 30 days for free.

※Service fee will be charged in addition to the license fee below. Please contact us for details.

1) Less than 100 devices

Device number	yearly amount
- 100	￥60,000

2) More than 101 devices

Device number	Unit price per year
101-500	¥500
501-1000	¥400
1001-3000	¥300
3001-7000	¥200
7001-15000	¥150
15001-	¥120

Example

For a 500-device installation

- 100 ¥60,000 ＋ **101 - 500 : Unit Price¥500 ¥500×400＝¥200,000** ＝ **¥260,000**

For a 1000-device installation

500 ¥260,000 ＋ **501 - 1,000 : Unit Price¥400 ¥400×500＝¥200,000** ＝ **¥460,000**
